

SUPPLY CHAIN AND INSPECTION SERVICES

Distribution & Merchandising Inspections

As the leading global inspection, testing and certification company, Bureau Veritas is your trusted partner to enhance the visibility and reliability of your supply chain operations. Our Distribution & Merchandising solutions provide an independent and objective assessment for the application of your internal policies related to sustainability, product placement and brand consistency across your clients' touch points. Bureau Veritas's service is complemented by a collaborative approach, with the design of unique solutions being a key part of the offering.

Benefits

COMPLIANCE

The Bureau Veritas qualified inspectors conduct detailed visual checks on site or remotely based on your checklist to assess effective implementation of your internal policies and initiatives across your local, national, and international distribution network. Monitoring your supply chain from the source to the destination enables end-to-end visibility, supporting real-time corrective actions and precise policy adjustments to efficiently achieve your objectives.

BRAND CONSISTENCY

Bureau Veritas' onsite and remote inspection services provide real-time insights into:

- › Brand compliance standards
- › Product presentation and representation
- › Visual merchandising to impact overall customer experience

Bureau Veritas' globally distributed teams contribute to your success, ensuring your brand is represented with precision and driving your market impact.

PERFORMANCE

Engaging an independent third-party to verify your products at any point in the supply chain can help to mitigate risk. The Bureau Veritas global network services monitor your global sourcing operations and delivery supervision to ensure the achievement of your performance objectives.

Bureau Veritas' Tailored Visual Inspection services: your gateway to increased visibility, higher transparency, greater reliability and improved efficiency to your supply chain.
